FROM THE PARK

League Winners 2014

Under 14 Girls Div 2 Black – a newly formed team, some coming from Glossodia to join with some Richmond players and new girls. Did themselves and our club proud – congratulations to them. 13 wins, 3 draws, and 2 losses got them past the post.

League Runners Up 2014

Under 13 Div 3 - Excellent results for a team that had to be merged together by 2 age groups. 7 wins, 2 draws and 3 losses for the season.

Under 16 Div 2 - Down to the wire for this team, pipped at the post by a goal in the last minute of the final game. 14 wins, 3 draws, and 1 loss.

All Age Women Div 3 - A new team to the club this year, The majority from another club, with some new players proved to be a huge force in this division.

Final Series

Winners - U 12 girls div 2 - Finishing in 4th place in the league and fighting their way into the Final. An epic battle of penalties ensued. 32 penalties were taken, Richmond coming out on top 11 - 10, finally defeating Colo. Another excellent result from a newly put together team.

All Age Women Div 6 - Back to back Final winners from the stalwarts of the club. Ranging in age from 19 - 53, They handed Springwood(comp winners) a 4 - 1 win on experience vs youth. Made sweeter by running 3rd by only 1 point in the league.

Runners Up -

U 13 div 3 - Comp runners up who also made it to the final, only to be overcome by Pitt Town 3 -1. Great Effort boys.

All Age Women Div 3 - Also Comp runners up who represented in the final. Unfortunately going down to Hazelbrook 2-1, another superb effort.

Finally all Competition teams are to be congratulated for their efforts, Richmond ExSSC teams faired very well with 4 more teams running in 4th spot & a mention to the AA11 mens team who only missed the final by a goal. We know each teams efforts were worthy.

Referee Coverage 2014 - NFA games this year were covered by the newly formed Nepean Referees Group. Access to referee coverage was outstanding this year with the introduction of the matchref system. For the first time in well over 10 years we had official referee coverage for pre-season matches held at Icely Pk & e-mails were answered within 48 hours and not ignored as in the past.

2014 saw Icely Pk coverage improve significantly, with only 4 Sundays not covered and 1 Saturday afternoon. A huge improvement as 2012-13 saw most Saturdays covered however very little Sundays. Some of the new refs quality was a little raw, however we believe that this will improve greatly with experience and the further training that has been offered to them. We also had one member join the ranks of the NFA M.Chenery from the AA11's - we appreciate your dedication.

The Dark Side - Red and Yellow card report

Red Cards: 4 1 x Jnr 3 x snr 1 x 16/2, 1 x 17G1, 1 x AAW3, 1 x O35/3 an increase by 2 on 2013

Yellow Cards: 25 most were for unsporting behaviour, most from the 3 AAM teams an increase of 5 on 2013 1 coach suspension

Online Registrations: Online registrations were once again a hectic and stressful time, with Admin handling all of these. Importing was made easier to Icompman the NFA registration system, as it was carried out automatically every evening, whilst still allowing the manual imports as previously used. Photo's were more easily moved between systems as well. All coach/managers/committee and club refs were registered. We held 3 face to face registration dates. This time, 1 at the club, and 2 at Icely Pk. More online payments were received this year, and direct debit was also promoted and usage increased. More promotion of direct debit may be warranted to assist with future payments. All age registration fee only was requested online and game fees were to be paid with the club. This was to reduce the online bank fee which is paid on the entire amount. Separating the payments was aimed at savings for the members. However it posed some confusion as some senior players thought that games fees need not to be paid. An increase in deregistrations for various reasons.

Coach Development - opportunities provided for SSF coaches to attend training courses, and relayed info on association held coaching clinics - disappointing attendance was noted. Paul always offering to help all teams with coaching issues .

SSF - This year we grew in SSF , having 17 teams who all played on a home and away basis

Junior Competition Teams- This year saw 7 junior competition teams - all doing very well in their respective competitions.

All Age Teams - This year saw an increase in All Age numbers in both ladies and men. Unfortunately a high number of injuries made it difficult for some teams by the end of the season.

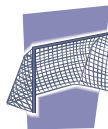

Over 35's - This year was finally able to make the transition from All Age to over 35's with enough player numbers to hold their own, and did very well coming in 3rd in their comp.

Growth of female teams - This year our aim to increase female participation was realised when we were able to boast U10, U12, 2 x U14G (one being nominated as U13's but no division for them), U17 girls and 2 All Age Ladies teams. A very successful increase on 2013.

EQUIPMENT-

Playing and Training Equipment - both training and match balls purchased
More pug goals for Mini Roos games to be held at once
Coach/manager/marshal vests, training vests, whistles
smaller sized team jerseys purchased, goal keeper shirts and goal keeper gloves

Powerade Football Supporter Fund – From our powerade football supporters fund we received \$462 in credit, we decided to get more training cones and bibs, so that hopefully we can eventually give each team their own sets. We were also able to get a set of corner posts and a new set of goal nets.

Facility Equipment – Tables, PA sound system, Dymo lettertag machine(office)

AWARDS- 2014 NFA awards night will be held 31/10/14.

Richmond ExSSC were recipients of 2013 Referees Trophy, which is awarded to a club for the best & fairest for the season. Qualification includes 3 Junior & 3 Senior comp teams and have the best disciplinary record calculated on an average based on overall numbers.

ICELY PARK LIGHTS UP

2013/14 saw an initiative from the Hawkesbury Sports Council to a long awaited upgrade of our lights to meet Match standards. With 4 new steel poles and sufficient lights on each, Icely now certainly stands out at night. This is of benefit to not only our member's safety but also to the other NFA clubs as well. Icely Pk being the 'best draining park' in the Hawkesbury will now be able to confidently have night matches schedule when the need arises. Our electrical box has had an upgrade as well; this will also help with safety as many a small fire has broken out in this area.

MAINTENANCE – As we all know Icely holds up in wet weather very well. Richmond keeps a good relationship with Hawkesbury Sports Council in an understanding that our best interests is in field maintenance and player safety. We more often than not are able to utilise Icely when other parks are unfortunately closed. Richmond likes to promote our outlook on field preservation to our members so we are all mindful of it.

All the goal mouths on Icely Pk will be re-turfed in October – weather permitting.(already delayed due to rain)

Weed spraying has also taken place at appropriate times.

We would like to thank Hawkesbury Sports Council for their assistance with these maintenance issues.

POLICIES – Admin is currently working on bringing our constitution in line with FFA, FNSW & NFA. We are also in the process of updating, formulating and documenting other policies needed to bring us in line with the above governing bodies as well as with Good Governance practices. Once complete all of these will be available on our website, for easy access to members and hard copies kept in the canteen for quick reference for the benefit of all members.

CLUB MEMBER INVOLVEMENT – Club member involvement is always encouraged. We are always looking to recruit members to help on the committee, however are happy with any help offered, no matter how big or small. It was excellent to see some younger members who have come through the ranks over 10 years or more, trying their hand at coaching/managing and volunteering for help at big events. More of

this involvement would be great. Our Facebook page has proved quite a good tool for member information distribution, and if you haven't already please like us.

NEW WEBSITE – just recently we have changed website hosts, and are in the processes of building a new user friendly website for the benefit of members. This process will be completed over a several months. It also means the change of our main club e-mail address, which is now secretary@richmondsoccer.com.au and our website address is www.richmondsoccer.com.au – take a look, it's coming along nicely thanks to our hard working website editor. A big thanks to Cyril Wood who is building this in his spare time .

CLUB PHOTO's- This year we tried a new approach to the way we did our club photo's, after the fiasco that ensued in 2013 from a professional company, whose professionalism was very poor, we decided to take a different direction. Ethel Sherratt needs a big thank you for all her efforts, from producing the photo envelopes, developing packages, organising timetables in conjunction with teams playing times, collecting monies and chasing the elusive photo's that needed to be retaken for various reasons, and organising the photographers, it was a mammoth task undertaken and completed very well. We will always have a glitch or 2 but overall the majority were quite happy with the results.

Ethel also is responsible for the organisation of our ever popular year books, with the co-operation of most coach and or managers the book came steadily together with the high standard that Ethel has now kept for the past 6 years.

SOCIAL EVENTS – unfortunately our planned Trivia Night fell through, hopefully we will be able to put one on in the next year, for a spot of fundraising and club socialising.

Socceroos game for Volunteers- Earlier this year FNSW offered tickets for people registered on MFC as volunteers free tickets to watch the Socceroos v Sth Africa World Cup farewell match on May 26th at ANZ stadium. After some glitches with ticket distribution sorted out, we decided to put on a bus from Richmond to ANZ to make it a complete social events nights outing for the club. With some offering their allocated tickets to allow others to go, we managed to fill a bus with a happy band of supporters for a good night out, even though taking place on a Monday (school) night, a great time was had by all. The club subsidised the bus to keep costs for members down.

PRESENTATION EVENTS –

SUB JUNIOR – held on Sat 17th August Icelly Pk - In keeping with the success and popularity of holding the Sub –Juniors U6 –U8 presentation separately in 2013, the same idea was carried on through to 2014. The motivation behind this idea was born of the ever continuing problem of keeping the tiny people still long enough for the rest of the teams to receive their trophies and vice-a-versa. The other driving force was one of relativity. Our smallest members, play their last round, receive their trophy, a slurpie a sausage sizzle, have an age appropriate jumping castle and indulge in a little face painting and are completely finished. This also takes a little pressure off with the Junior presentation, by cutting down on teams attending. This format has proved to be quite popular with feedback being quite encouraging. 2014 was quite successful once again, and all the miniroos up to under 8's enjoyed their mini presentation, lots of smiling faces. This year's choice of trophies were a hit as well, we went for the unbreakable style, which fixed the problem of broken trophies needing to be fixed before they have even left the park. All appreciation needs to go to Paul Boyd for his trophy choices this year.

JUNIOR –Held Saturday 13th September at Icelly Pk. A larger event which is quite taxing, extra help is always welcomed. Age groups from U9 – U17. Quite a good patronage from all teams. The weather held out for us and neither did we swelter or get blown away for a change. Working out a better way of predicting catering needs to be tweaked, as loads of food and drinks were left over. Trophies were also a hit with this age group as well.

SENIOR – This year we thought we would try the School Of Arts as a venue for the senior presentation as last year's great venue was unavailable. Only 4 teams attended. Held on sat 27th Sept, which will be revised in 2015 as we were unaware at the time of booking that it was major footy finals day/night. In keeping costs down we used pig-out spit once again, that proved to be a hearty meal for all, with much leftovers, even with under-catering. A short but sweet affair with most filtering out to near-by facilities in the local area to carry on celebrations. Thanks to all that helped the committee pack up so we could all get away and continue enjoyment of the night. A revision of venue may be looked at for the future as the hall proved to be very noisy and audio struggled. Pilsner glasses for the girls and steins for the boys were happily received by all.

ANNUAL CLUB AWARDS –

This year after a small donation sent to us from the Hales family (life members), the committee decided to update the re-naming of a trophy which we felt would be more apt. We changed the previously known Ernie Zubras Junior encouragement for U9-U14 to the Kelvin Hales Junior encouragement award U9-U14. Kelvin Hales Jnr played at the club from U9's – U16's, his father Kel and mother Fay were committee members for quite a few years, they also

coached and managed teams respectively. Kelvin had 2 sisters who also played at the club. Unfortunately Kelvin's life was cut short in the tragic Black Hawk helicopter disaster in 1996. The committee thought this would be a fitting use of the donation to honour a family which had given to selflessly to keep this club functioning during the 80's. Kel and Fay made the trip from Nowra to present this trophy at our Jnr presentation. The family expressed their overwhelming gratitude as this gesture and were quite chuffed to present trophies to a few teams on the day. We thank them for their efforts to attend our presentation.

CANTEEN REPORT We employ 2 -3 girls to work on different days usually using a rotation roster. We feel that the enforcement of committee or members to man the Canteen and BBQ takes away from maximising their soccer experience. We find its always the same parents volunteering constantly, therefore paying the canteen workers benefits all members greatly, whilst creating employment for either members or the wider community, these young (over 16) workers also learn employment skills. Their wages are drawn from Games Fees. The player-of- the match slurpy program for juniors has been a great success. Future promotion of the Canteen will entail offerings of more healthier choices with a family friendly atmosphere. Our homemade Caramel slice and cookies are proving to be a hit not only with our members but other clubs, with neither containing artificial colours, flavours or preservatives. The reintroduction of hotdogs was also a popular choice of customers.

FINANCIAL REPORT - 2014 saw our financial position remain strong with similar outcomes to 2013.

COMMUNITY SUPPORT - Our club has been involved with all sorts of donations over the years, to all sorts of entities, whether it be within our wider Football community or our own Hawkesbury community. This financial year, we donated to the Nepean Bushfire appeal it organised on behalf of Sprigwood FC, whose members were hit hard in last Octobers bushfires. We also lent a hand to Londonderry school, who organised a soccer gala day, to which we donated the medallions for the winning teams to make their day a success. We also lent our pie oven to the school for their fundraising Fair Day. It was a pleasure to be of help to this school where quite a few of our junior members attend.

MOVING FORWARD - As we move forward into our 47th playing year, a more structured and planned approach will see us come into line with all our governing bodies. Constitution upgrade and policy documentation will bring us forward and into compliance. Many areas need to be worked on and our Club Ideals will be a driving force to meet our members needs, in making the entire soccer experience with Richmond ExSSC the best it can possibly be.
